REMARKS /SPECIAL INSTRUCTION

In our effort to provide better patient service, please fax/email this form to our office.
Also provide the patient with a copy to bring to their appointment. Thank You!

Please see the reverse for additional information and a map to our office.

Special Instructions for Patients

1. Patients who are interested in possible sedation must have NO FOOD OR DRINK, including water, at least 8 hours prior to surgery.
2. DO NOT stop any daily medications for any procedure unless instructed by our doctors to do otherwise.
3. If you are planning on sedation, you must arrange to have a driver accompany you to your surgery appointment. Your driver must remain in the office for the duration of the surgery and drive you home after the surgery. You must not drive for the remainder of the day.
4. A parent or legal guardian must accompany any patient under the age of 18 to their consultation and surgery appointments.
5. Send any x-rays and insurance information to our office in advance and bring with you to your appointment .
6. Visit our website in advance of your appointment to complete required patient registration.
